The YOUTHShare project

An overview

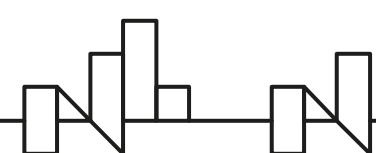

The YOUTHShare project aims to reduce youth unemployment in coastal and island regions of the Mediterranean EEA by advancing young NEETs skills in trans-locally resilient agri-food production and the pertinent circular economies. By boosting the potential of those sectors, through social entrepreneurship and sharing economy platforms, it aims to reduce economic disparities in the target area.

YOUTHShare project is implemented by:

YOUTHShare project is funded by Iceland, Liechtenstein and Norway through the EEA and Norway Grants Fund for Youth Employment.
